

A Class Act - Annie Jr.

By High School Desktop Publishing Class

November 6th and 7th were memory-maker days as the Junior High students performed their amazing musical for hundreds of local fans.

This play was directed by the Mighty Michael Reimer and the Dynamic Dawn Douglass and included every member of the 7th and 8th grade classes.

Auditions and practices have been a part of their lives since last May. And they succeeded in bringing to life the story of a spunky orphan girl who waited cheerfully for her parents' return.

While the story may be familiar to you fans of musicals, the energy and talent displayed were unique to this fine group of youngsters. The audience was

obviously touched by the message and inspired anew by the timeless theme of "all things beautiful in their time".

In VCS tradition, many volunteered their time, money, and talents to make this a first class performance. Kudos to the teamwork that continues to bind and direct the family of God in its many pursuits of excellence.

Team Baugher Joins VCS

By Mr. Anthony Baugher

Team Baugher is excited to be here (my wife Cindy, our three kids, and I)! Our previous ministry was at Santiam Christian School.

My administrative position included being in charge of a K-12 athletic program and development department, including facility management, admissions, and all major fundraisers for a school of 700 students.

My wife Cindy and I sensed right away that there was a spirit of

purpose and engagement among the VCS community – a place to belong.

As a Christian school, we must take full advantage of

the opportunity to use our minds, in all their capacities, to glorify God.

I want everyone to know that as Head of School, it is a top priority to establish relationships with the VCS community, both

past and present, so that I

can be familiar with all facets of our school.

VALLEY CHRISTIAN
EAGLES

35 Years of Christian Education

By Janelle Taberna
Development Coordinator

Valley Christian School has stood on Col. 1:18b, “...in all things He (Jesus) might be preeminent”, since its inception in 1979 and continues to hold that verse as our standard today.

We have witnessed God’s faithfulness on the mountaintops and in the valleys: His hand upon everything.

Our enrollment for the 2014-15 school year is up by 12% with family inquiries weekly. Praise the Lord!

We are very excited with this

increased enrollment. However, with more growth comes more need. Full tuition only covers 75% of the cost to educate each student. We trust the Lord to provide the other 25% through rentals and donors like you. With 40% of our families receiving tuition assistance, the needs continue to rise.

Once again, we know He is steadfast and will meet all of our needs.

Also with this growth comes facility

issues. Some years ago, many of you were instrumental in the beginning of Valley Christian’s third building, lovingly known as the “Deep South”. We would like to partner with the community, alumni, friends and family of Valley Christian School to see this vision come to completion.

Please partner with us in prayer to finish the Deep South for needed classroom space.

“Now finish the work, so that your eager willingness to do it may be matched by your completion of it, according to your means.” 2 Cor. 8:11.

May the Lord Bless you richly!

Gold Star Teacher!

Ask an alumnus what is the best thing about VCS, and the answer is usually "the

teachers!"

One of the favorites was nominated and won the Gold Star Award from KECI-TV 13: **Mrs. Cheryl Nurse!**

Mrs. Nurse, in her 24 years at VCS, has taught kindergarten, 1st grade, 2nd grade, & elementary music. Her expertise, organization,

and ability to keep twenty 6-year-olds occupied, learning & having fun is uncanny!

She spends countless hours preparing her classroom and lessons to give her students the best learning experience possible. The result is she has an amazingly orderly class, with students who are engaged and learning to the best of their potential, without even realizing it

Mrs. Nurse's long-standing commitment to elementary education has impacted generations in the Missoula community. She is now teaching a

second VCS generation, the children of her former students.

The Gold Star Award is given to outstanding teachers who exhibit an exceptional ability to reach our youth. Mrs. Nurse does just that!

When asked what the most important part of her job is, she stated, "The Truth! I need & want to impart the Truth to these kids. Without God's Word & Truth, nothing else matters. And these kids are hungry to learn the Truth!"

Congrats Mrs. Nurse! Thank you for impacting the lives of VCS students &

families!

You bless us!

Going Digital!

Now you can get your VCS Impact Newsletter online! It arrives promptly and you can

- scroll to favorite articles
- zoom in for easy viewing and
- help VCS be a better steward with your donations by reducing printing and postage costs

Email VCS today to begin receiving your next issue of the Impact electronically.

Keep in mind this is a new process and it will continue to improve. Send your suggestions, too!
