

# PASTOR RECOMMENDATION

Valley Christian School exists to partner with Christian families that desire their children to be taught through a biblical worldview preparing them for a lifetime of authentic faithfulness to Jesus Christ. To solidify this partnership with parents, we require *at least* one parent living with the student(s) have a personal relationship with Jesus Christ and be actively involved in a church body. This requirement ensures students at Valley Christian School are hearing One Voice, the same voice - at home, church and school. To support this disciplining partnership, we require the following documents as part of our admissions process:

1. Both parents living in the home with the student(s) must submit a short essay telling us about their personal relationship with Jesus Christ.
2. All students must submit a short essay telling us about their personal relationship with Jesus Christ or their personal understanding of who He is.
3. All student(s) must reside in a full-time home with at least one parent that is actively involved in a church body. To support this requirement, we require a recommendation from their church pastor.
