Dear Valley Christian Community -

Today is **DAY TWO** of our **15 Days of Giving**. Thank you to everyone who has participated in our Annual Fund Drive this year, the results have been amazing. Today we are pleased to announce a matching opportunity to assist Valley Christian School in raising funds for tuition scholarships. Thanks to an anonymous donor, **every dollar that is given towards scholarships will be matched up to \$50,000**. As an example, if you give a \$100 today, the donor gives a \$100 to match your gift; that's \$200 toward scholarships! It is important for everyone to know that every dollar counts, every dollar helps our school continue its mission...AND today, every dollar is actually two. **PTL!**

Valley Christian is committed to helping families send their children to our school. Our financial aid program is designed to help all qualified, mission-appropriate students access a private Christian school education. An industry benchmark for private independent schools is to provide 20%-25% of students with financial aid. Valley Christian currently exceeds the benchmark by providing over 40% of its students with tuition assistance. Over \$250,000 was awarded this year in financial aid to our families.

The need is great and you can help!
