## Introduction

Our purpose at Valley Christian School is that Jesus Christ might be preeminent in all things. (Colossians 1:18) We believe that true freedom, abundant life, and joy can only be found in Him. While we will always address sin, it is our desire that students, parents, and visitors recognize the distinctiveness of a loving and forgiving atmosphere at VCS. Our faculty and staff are committed to this end. We believe that all truth is God's Truth. He is the author of Truth and says of Himself that He is the Truth (John 14:6). Our students need to be good students of God's Word so that they become "like a tree planted by streams of water, which yields its fruit in season and whose leaf does not wither. Whatever he does prospers." (Psalm 1:3)

### Valley Christian exists for the following reasons:

- To provide an excellent academic education where Christ is preeminent. (Colossians 1:18)
- To provide an educational experience in which each child is challenged by the truth of God's Word.
- To challenge each child to memorize God's Word. (Psalm 119:11)
- To prepare young people to live in the world without being part of it. (Matthew 5:13-16)

### Statement of Faith

1. We believe the entire Bible to be inspired, the only infallible, authoritative, Word of God for faith and life.
2. We believe that there is one God, eternally existent in three persons; Father, Son, and Holy Spirit.
3. We believe in the deity of our Lord Jesus Christ, in His Virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return to power and glory.
4. We believe that man was originally created in the image of God, that he fell into sin through the first Adam and that he is responsible for all sin that he has committed. Because of sin all mankind is separated from God and lost eternally apart from salvation through Jesus Christ.
5. We believe that for salvation of lost and sinful man, regeneration by the Holy Spirit is essential.
6. We believe in the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a godly life.
7. We believe in the resurrection of both the saved and the lost, they that are saved unto the resurrection of life and they that are lost unto the resurrection of damnation.
8. We believe that the Church is the body of Christ, a spiritual organism of born-again believers displaying spiritual unity under the headship of the Lord Jesus Christ.
9. We believe that God wonderfully and immutably creates each person as male or female, and that these two distinct, complementary genders together reflect the image and nature of God.
10. We believe that God created marriage to be exclusively the union of one man and one woman, and that intimate sexual activity is to occur exclusively within that union.

11. We believe that all human life is sacred and created by God in His image. Human life is of inestimable worth in all its dimensions, including pre-born babies, the aged, the physically or mentally challenged, and every other stage or condition from conception through natural death.

The Statement of Faith does not exhaust the extent of our beliefs. The Bible itself, as the inspired and infallible Word of God that speaks with final authority concerning truth, morality, and the proper conduct of mankind, is the sole and final source of all that we believe. For purposes of Valley Christian School's faith, doctrine, practice, policy, and discipline, our Board of Directors is Valley Christian School's final interpretive authority on the Bible's meaning and application.

**The Distinctives of Valley Christian School:**

- We believe the Biblical truth that "the fear of the Lord is the beginning of wisdom." (Proverbs 9:10)
- We believe that children are to honor their parents. (Ephesians 6:2)
- We believe the family must teach their children to obey God. (Deuteronomy 11:19)
- We believe in the principle of respect for authority. (Romans 13:1-7)
- It is our conviction that discipline is an expression of love. (Hebrews 12:1-11)
- We are committed to a structured approach to learning.
- We believe in the Matthew 18 principle when there is conflict. (i.e. If there is an issue with a teacher, go directly to him/her first as opposed to going to the principal with the complaint.)

This JH/HS Handbook is intended to serve as a convenient source of information about Valley Christian School and how it operates. We encourage families and students to read it through carefully and keep it as a reference during the year. The following policies and procedures represent the most recent update from the administration on how VCS will run this year. It is by no means a comprehensive handbook. To assure that VCS achieve and maintain the purposes of this handbook under changing conditions, the administration reserves the right to modify, suspend or revoke any and all policies, procedures, and statements contained in this handbook at any time.

On page 29, there is a signature page which parents and students must sign and return soon after school begins. If you have any questions regarding the school's policies or procedures, please direct them to the principal.

Valley Christian School endeavors to create an environment where Christ is honored every day and where there are few distractions to learning. It is expected of all students, whether on or off campus, that their conduct would honor Jesus and bring glory to His name. We count it a privilege to partner together with families in the education of their sons and daughters. We look forward to this year ahead.

**Junior High Homework Policy:**

- Homework consists of work not completed in class, studying for tests and/or quizzes, special projects, and reading assignments. We believe that homework needs to be kept in balance with family time and other important aspects of life.
- The amount of homework may vary based on how much work is accomplished during class time as well as the academic abilities of students.

**Late/Missing Work:**

- It is the student's responsibility to keep track of his/her work and turn in assignments on time. All students are expected to complete homework on time.
- If a student misses school or class for any reason, it is his/her responsibility to pursue the teacher for any notes, assignments, or class information missed. Follow classroom procedures.
- Assignments are expected to be turned in on time. An assignment that is turned a day late will receive a grade no higher than 50%. Two days late will result in a 0% for that assignment, though the work should be completed to gain the knowledge intended with the assignment.
- Teachers may allow extra time for completing work ONLY under extenuating circumstances (such as a death in the family, late night hospital visit, etc.). It is the responsibility of the student to approach the teacher. Sports or other extra-curricular activities do not constitute extenuating circumstances.

**Parent Teacher Child (PTC) Conferences:**

- PTC conferences are scheduled after the end of the first and third quarters.
- Parents AND students are expected to meet with their student's teachers on scheduled PTCs to discuss the student's progress in school. These meetings are critical and essential for student success and improvement.

**Planners:**

- Planners will be used for both daily and long-term assignments. This encourages personal responsibility and the opportunity for students to keep track of homework, projects, quizzes, and tests.
- Student planners will be used as a hall pass.

- Assignments that have been plagiarized will receive a zero, and the student will meet with the teacher and/or principal.
- Assignments that have been completed through cheating, both the cheater and the helper, will receive a zero. Students will meet with the teacher and/or principal.
- The opportunity to redo a plagiarized paper for credit will be left up to the discretion of the teacher and principal.

### **Student Records:**

Student records are not to be removed or taken off school property. Parents, legal guardians, and eighteen-year-old students have the right to see their own records. - All Sophomores will take the PSAT 10 test.
- All Juniors will take the Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test (PSAT/NMSQT) in October. The PSAT is designed to give students an idea of how they will perform on the college entrance SAT test, and it serves as a qualifying exam for the National Merit Scholarship Program.
- All Juniors will also take the ACT with Writing, provided by the Montana Office of Public Instruction.
- AP® tests will be offered to students completing Advanced Placement classes in early May. Students may take an AP test even if they have not taken the AP class, but for them to be successful, they would need to put in a lot of work and preparation.

### **Valedictorian and Salutatorian:**

It involves verbal threats such as teasing and name-calling; cyber-bullying through electronic media; physical hostility through pushing, shoving, kicking, or hitting another student; and relational hostility by excluding a student from a group or gossiping against another student. **Sexual Harassment** refers to any type of behavior of a sexual nature, intentional or unintentional, that is unwelcome and that has the purpose or effect of creating an environment that is hostile, offensive, or coercive. It includes but is not limited to unwelcome sexual advances or favors, discussion of one's sexual activities, inappropriate petting, touching, or pinching,

sexually suggestive language or gestures.

**Harassment**, bullying, and sexual harassment go completely against what the school stands for and will not be tolerated. It is important for students who think they have suffered harassment, bullying or sexual harassment to report the incident to the principal or another school staff member. In addition, any other student who suspects or has knowledge of an incident of harassment, bullying or sexual harassment is required to report that information to the principal or another school staff member.

### **IT Systems Usage Policy**

The purpose of providing access to the Internet and the school's computer systems is to support research and provide unique educational opportunities. The use of such resources should be limited to those activities that support the school's educational objectives. In addition, the use of the school's systems is a privilege and not a right.

At the beginning of the year, the school will go over the IT Usage Policy more specifically with the students so that there is clear understanding of the school's policy and acting responsibly as an IT user.

All persons using the school's computers, or the school's computer systems, on school property or over the school's systems, including Internet access, are required to abide by the following rules. These rules also apply to the use of any personal electronic devices (computers, cameras, Phones, iPods, Tablets, Smart Watches, video cameras, etc.) on school property or at school related events.

- Students are expected to access the Internet for educational and research-oriented reasons only.
- The school expects users to act responsibly in their searches and to immediately disengage from any content that is inappropriate and to report the situation to the faculty member in charge of the activity or the IT Director.
- Obtaining material that is explicitly labeled, as "not intended for minors" or "MA" for mature audiences will be considered a violation of the school's policy. Furthermore, making public or passing on any material that is pornographic, violent in nature, or otherwise harassing will be considered a violation of the IT Systems Usage policy.
- Any person who believes that they have been harassed or threatened by an electronic communication should immediately report the concern to the principal or another school staff member.
- Students should never give out personal information (passwords, address, telephone number, name of school, address of school, date of birth, Social Security Number, credit card number, etc.) over the Internet.
- Accessing the accounts and files of others as well as impairing the network or to bypass restrictions set by the network administrator are prohibited. Using another person's system password on the network is a violation of school rules as well as a form of theft.

The school reserves the right to inspect user directories for inappropriate files and to remove them if found and to take other appropriate action if deemed necessary. Students who violate any aspect of this IT Systems Usage Policy will be subject to appropriate discipline and loss of computer or Internet privileges.

### **Library:**

## **Discipline Procedures and Consequences**

Discipline is not to be punitive, but to correct, redeem and restore. In dealing with student discipline, therefore, and especially with the more serious issues, Administration and teachers will work with parents and try to do what is best for the student, the family, and the student body as a whole.

### **Detentions:**

- Lunch detention runs 11:45 a.m.-12:05 p.m. After school detentions run from 3:40-4:00 p.m.
- The school uses these detentions for a number of minor infractions—being disruptive in class, tardies, not coming to class prepared, dress code violations, etc.
- If a student is given a detention but is absolutely unable to fulfill the detention that day, the parent

must call the school to make other arrangements.

- Detentions may include cleaning or other school services, assignments, homework, etc., depending on the reason for the detention.
- If a student does not show up for a detention, he/she will serve the following day and an additional detention may be given.
- After three detentions in a quarter, a student will be placed on disciplinary probation. Further detentions may lead to suspension.
- If a student does not show up for three detentions in a quarter, he/she will be given an in-school suspension for a portion of the day.

**Code of Conduct:**

Since our goal at Valley Christian is the preeminence of Christ in all areas of a student's life: academic, sport, social or personal life. It is always expected of all students that their lives strive to reflect Biblical morals and values. Based on that expectation we all Junior High and High School students must agree to the following code of conduct both in school and out of school - including summer break:

1. I agree to conduct myself in a manner worthy of Christ to please Him. (Col. 1:10-12)
2. I will not conduct myself in a way that has an adverse effect on the name of Christ.
3. I will not engage in the illegal use or possession of drugs, alcohol, or tobacco.
4. I will not engage in any form of immorality.
5. I will not engage in inappropriate social media.
6. I will not engage in criminal activity of any kind.
7. I agree to not live-in flagrant rebellion to my parents/guardians.

Individual situations that conflict with this standard will be evaluated in a case-by-case basis with an attempt to find the best solution for the individual and the student body as a whole. This may result in school disciplinary action including suspension, expulsion, community service, and/or denial of re-admittance.

**Discipline Consequence Guidelines:**

We want all our students to reach their God-given potential. Toward that end, we strive to have organized classroom settings and a predictable routine where respect, manners, and obedience are taught. John 14:23 says, "If anyone loves me, he will obey my teaching." Our goal is to encourage our students to "Listen and Obey God's voice in their heart". We will continually use God's Word and prayer to instruct the children in that truth.

**Disciplinary Probation**

A student may be placed on disciplinary probation for the following reasons:

- Demonstrating a negative scorner's attitude
- Repeated failure to comply with the policies of the school
- Three or more detentions

Students who fail to comply with the guidelines of their Disciplinary Probation, will be subject to suspension and/or expulsion.

### **Suspensions:**

- Valley Christian uses two types of suspension for disciplinary measures: in-school suspension (ISS), and out-of-school suspension (OSS).
- ISS is usually used for less severe disciplinary infractions. The student is required to come to school but does not participate in classes, lunch, or other school day activities. ISS can run for a part of the school day or the entire school day. School work will be gathered from teachers to be worked on by the student during the day.
- OSS is used for the more severe disciplinary infractions. During the time a student is in OSS, they are not allowed to come to school or participate in any school-related activities including sports practices, sporting events, assemblies, etc.
- Students may make up the work missed during an OSS. However, all missed work and tests must be turned in/made up on the student's first day back. Any change to this policy is at the discretion of the teacher/principal.
- It is the responsibility of the student, not the school, to contact teachers and ask for assignments or missed work.
- Students will not be able to make up some classwork/points such as pop quizzes, daily reading checks, participation, etc.
- An OSS will be recorded in a student's permanent file.

### ***Suspension (ISS or OSS) may result from actions/behaviors which are not all-inclusive:***

- Obscene, vulgar, or profane language
- Direct disobedience
- Bringing pornography onto campus
- Involvement with tobacco, alcohol, or drugs
- Harassment, bullying, or sexual harassment
- Cutting class
- Inappropriate physical displays of anger
- Vandalism
- Physical displays of affection
- Stealing
- Leaving campus without permission
- Vaping

### **Expulsion:**

The Valley Christian School Board makes all decisions regarding student expulsions. A student involved in the following may be considered by the school board for expulsion:

- Illegal use or possession of drugs, alcohol, or tobacco
- Engaging in any form of sexual immorality. This includes but is not limited to premarital sex, pornography, or homosexual activity.
- Participating in sexting or inappropriate use of social media.
- Being involved in criminal activity of any kind.
- Living in flagrant rebellion to parents/guardians.
- Ongoing misbehavior that disrupts the learning processes or is scornful towards the Lord or

the school and what it stands for.

Families of students who have been expelled may petition the board to reconsider their decision if it is done within 7 days of when they were notified.

**Student Leadership (SL):**

Our Student Leadership program offers our High School and Junior High students the opportunity to learn to lead and guide their peers while striving to demonstrate compassion, humility, patience, and kindness. Our student leaders serve their student body as they seek to encourage unity, fellowship, and community. Our High School offers several officer positions; Student Body President, Student Body Vice President, Class Presidents in 9-12<sup>th</sup> grade, Student Body Secretary, Student Body Treasurer, Student Body Treasurer, Student Leadership Manager and School Spirit Coordinator. Additionally, our Junior High offers the following officer positions, Class President and Vice President roles in both 7<sup>th</sup> and 8<sup>th</sup> grade as well as the role of Junior High Secretary. The application and selection process begins in the spring.

**National Honor Society (NHS):**

The National Honor Society is an organization designed to create enthusiasm for academic scholarship, stimulate a desire to render service, promote leadership, and develop character in high school students. Selection to membership in the Valley Christian School chapter of the National Honor Society is a high honor. To be eligible for membership, a student must be a member of the sophomore, junior, or senior class and have been at Valley Christian for at least one semester prior to selection. In addition, they must have at least a 3.5 GPA to qualify for the academic requirement. (A 3.5 GPA does not guarantee one's selection into NHS.) In addition to academics, selection is based on the faculty evaluation of the student's leadership, service, and character. Students who transfer into Valley Christian School who were members of their former school's NHS, will be accepted into Valley Christian School's NHS provided there are no reservations from the faculty that would disqualify them.

**Statement on The Ministry of Teaching**

All teachers, school administrators, staff and volunteers at Valley Christian School are called by God to help raise up the young in the ways of faith. Jesus, the Savior, was also a teacher. He gathered his disciples and others around him and taught with such conviction and truth that the "many who heard him were astonished, saying, 'Where did this man get all this? What is the wisdom given to him? What mighty works are wrought by his hand!'" (Mark 6:2). His apostles, likewise, were teachers and gave witness "with great power," through their words and their deeds, and "gave their testimony to the resurrection of the Lord Jesus, and great grace was upon them all" (Acts 4:33).

The ministry of teaching obligates the teacher to assist his or her students in understanding not only mathematics or physics, but how the order and discipline of mathematics or physics reveals the mind of God. It obligates one not only to instruct in geography and history, but to inculcate the faith by helping the students know that God created the mountains, the sea, the rivers, the deserts, the forests, the plains, and

all the creatures that inhabit them, and to learn that human discoveries, empires, conflicts, and social movements are measured by the divinely ordained order. The ministry of teaching requires one not only to help students acquire skill in spelling, reading, grammar, and writing, but to understand that human language is a primary means by which students might explore the wonders of poetry and narrative and sacred Scripture itself—all of which indirectly or directly disclose salvation history. Regardless of the subject, true teachers minister to their students by helping them follow Paul’s admonition:

Finally, brethren, whatever is true, whatever is honorable, whatever is just, whatever is pure, whatever is lovely, whatever is gracious, if there is any excellence, if there is anything worthy of praise, think about these things. What you have learned and received and heard and seen in me, do; and the God of peace will be with you. (Phil. 4:8–9)

Teachers, administrators, staff, and volunteers at Valley Christian School must be ever mindful that they instruct not only through rational explanation of formal subject material but even more powerfully through word, deed, example, and shared experience. Simply put, they teach the faith by modeling the faith and by modeling faithfulness. This is why all teachers, administrators, staff and volunteers, even before their first meeting with students, must subscribe to the school’s Statement of Faith. This is why all teachers, administrators, staff and volunteers are required to give a godly example, both at school and away. All staff must teach truth and avoid falsehood. “Therefore, putting away falsehood, let everyone speak the truth with his neighbor, for we are members one of another. ... Let no evil talk come out of your mouths, but only such as is good for edifying, as fits the occasion, that it may impart grace to those who hear” (Ephesians 4: 25, 29).

Teachers, administrators, staff, and volunteers minister to the student body by providing them with faith experiences. They lead the youth in prayer, praise, and mercy. Paul urged Christians to “Let all bitterness and wrath and anger and clamor and slander to be put away from you, with all malice, and be kind to one another, tenderhearted, forgiving one another, as God in Christ forgave you” (Ephesians 4:31–32). All staff also model the Christian life by being active in their own church community and by serving as an intermediary assisting the student body in becoming active in their respective church communities so that those students might be further nurtured in faith with their friends and family around them.

## **Family Educational Rights and Privacy Act (FERPA)**

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

- Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.
- Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
- Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):
  - School officials with legitimate educational interest;
  - Other schools to which a student is transferring;
  - Specified officials for audit or evaluation purposes;
  - Appropriate parties in connection with financial aid to a student;
  - Organizations conducting certain studies for or on behalf of the school;
  - Accrediting organizations;
  - To comply with a judicial order or lawfully issued subpoena;
  - Appropriate officials in cases of health and safety emergencies; and
  - State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school.
