

IMMUNIZATIONS

School Immunizations Requirements

Interpretation of immunization records for school entry can be confusing. Following are some helpful guides to ensure your child is in compliance with State Laws. These are the minimum requirements.

PRESCHOOL: The following immunizations are required for entry into Preschool.

VACCINE	TOTAL NUMBER	ADDITIONAL DOSE REQUIREMENTS
Polio	2 doses	1 more after the age of 4 & before Kdg entry
DTP/DT/DTaP/Td	3 doses	1 more after the age of 4 & before Kdg entry
MMR	1 dose	1 more after the age of 4 & before Kdg entry
Hib	1 dose	Before the age of 5

KINDERGARTEN: The following immunizations are required for entry into K-6th grades.

VACCINE	TOTAL NUMBER	ADDITIONAL DOSE REQUIREMENTS
Polio	3 doses	1 after the age of 4 & before Kdg entry
DTP/DT/DTaP/Td	4 doses	1 after the age of 4 & before Kdg entry
MMR	2 doses	1 after the age of 4 & before Kdg entry
Varicella (Chicken Pox)	2 doses	Before Kdg entry. Exceptions: Laboratory evidence of immunity or confirmation of disease; OR Diagnosis/verification of history of varicella or herpes zoster disease by a health-care provider.

7TH GRADE: The following immunization in addition to the above is required for entry into 7th - 12th grades.

Tdap	1 dose	This is required by all students in addition to the prior 4 doses listed above.
------	--------	---

All immunization records must be submitted before student enters school. Records can be faxed directly to us by your doctor's office at 549-5047.
