Mission Statement: *Valley Christian School exists to partner with Christian families that desire educational excellence taught through a biblical worldview so their children will be prepared for a lifetime of authentic faithfulness to Jesus Christ.*

Why Christian Education?

Our purpose at VCS is that Jesus Christ might become preeminent in all things (Col. 1:18). Jesus is first. You will be encouraged to make Jesus Lord of your life in every possible way.

We believe that true freedom, abundant life, and joy unspeakable can be found only in Him. We watch over the lives and choices “our” children make, wanting to present them with sincere and pure devotion to Christ (I Cor. 11:2-3), unadulterated and uncompromised with the world. Our staff is dedicated to this end.

While we will always address sin, together with all other pursuits, in the love and forgiveness in Jesus Christ, it is our desire that students, parents, and visitors recognize the distinctiveness of a loving, and forgiving atmosphere at VCS. Our staff is committed to this end.

We believe that all truth is God’s Truth. He is the author of Truth and says of Himself that He is the Truth (John 14:6). Truth is pursued in every course. Students will also be taught to be on guard against falsehood and deception as seen in many of man’s theories, designs, and inventions in which he considers himself equal to God or attempts to deny God’s existence.

God has revealed some Truth to unbelievers; therefore the Christian student needs to be a good student of God’s Word in order to evaluate all teachings from the perspective of God’s Word. This demands wisdom and the “fear of the Lord” which are acquired by hiding God’s Word in their heart and as they meditate on that Word. Then, students become like a tree planted by the rivers of water (Psalm 1:1), and everything they do will prosper (Psalm 1:3).

As a student experiences the preeminence of Jesus in his life, he will automatically become a better student. There is a measurable correlation between the Lordship of Jesus and performance in studies, careers, and relationships. Jesus Christ is the power and wisdom of God (1 Cor. 1:24). Jesus Christ desires to use each student and multiply each student’s gifts.

In addition to a student’s completeness in Christ, we pursue the following goals:

- Respect for our American heritage
- Development of skills for the future
- Excitement for learning

Since our goal at Valley Christian is the preeminence of Christ in all areas of a student's life, whether that is a student's academic life, sport's life, social life or personal life, it is expected of all students at all times that their lives strive to reflect biblical morals and values. Based on that expectation we believe it is important that VCS students agree to the following code of conduct both in school and out of school - including summer break.

1. I will not engage in the illegal use or possession of drugs, alcohol or tobacco.
2. I will not engage in any form of immorality.
3. I will not engage in inappropriate social media.
4. I will not engage in criminal activity of any kind.
5. I agree to not live in flagrant rebellion to my parents/guardians.

Individual situations that conflict with this standard will be evaluated case by case with an attempt to find the best solution for the individual and the student body as a whole. This may result in school disciplinary action. That action may include suspension, expulsion, community service and/or denial of re-admittance.

Rules and Regulations

All institutions, public and private, must have rules and regulations to govern those who participate within that institution. This handbook is designed to provide a basic outline for student conduct while attending Valley Christian School. It is by no means comprehensive. It is expected of all students, whether on or off campus, that their conduct will honor Jesus and bring glory to His name.

Philippians 1:27 "Whatever happens, conduct yourselves in a manner worthy of the gospel of Christ."

High School Bible Discipleship Team (BDT) Curriculum:

“Follow my example, as I follow the example of Christ.” 1 Corinthians 11:1

- We believe our Bible and Discipleship program is the cornerstone of our Christian school’s curriculum. Each BDT teacher will have a small group of students (male teachers with young

men and female teachers with young ladies) for the purpose of teaching the Word, memorizing the Word, doing the Word (ministry) and praying together.

- Grading for this class will be as follows: 10% attendance, 10% Bible notebook, 40% Bible memory and 40% from the student's Bible class.
- Bible memory tests occur weekly and will be recorded on the Portal by Friday.
- If a student misses a Bible memory test, he must make up the missed test before or during the next class period or he will automatically receive a "0." It is the student's responsibility to be prepared to make up these tests.
- Students will be required to maintain a Bible-size notebook (5 1/2" x 8 1/2", available for purchase in the Student Store) that includes sections for Chapel Notes, Bible Memory and Bible Class Notes.
- Students must bring their Bibles and notebooks to BDT, Bible class, and Chapel.

Dropping and/or Adding Classes

- The last date for a student to add or drop an academic class is the 15th school day after the start of the new semester.
- If an academic class is dropped after the 15 day drop/add date, it may result in a failing grade being recorded on the student's transcript. If a student wants to add a class after the 15 day drop/add date, the student must receive approval from the teacher, and arrangements must be made to make up any missed assignments.
- Academic classes include:

all English courses	all history/social studies courses
all math courses	all Bible courses
all science courses	business technology
all foreign language courses	yearbook

Late Work

- If a student is present and yet turns in a late assignment, the highest grade he may receive for that assignment is 50%.
- It is the student’s responsibility to keep track of his work and turn assignments in on time.
- If the assignment remains outstanding by the end of the week, end of the unit or another deadline determined by the teacher, the assignment will be given a zero and may not be made up.

Missed Work

- If a student misses school or class for any reason, it is his responsibility to pursue the teacher (or a fellow student) for any notes, assignments, or test dates missed.
- The student needs to find a time convenient for the teacher to request the missed work. Often the beginning of a class period is not a convenient time.
- For any assignment not turned in, a zero will be entered in the gradebook until the work is made up.
- Once the quarter or semester ends, grades are final and no past assignments may be made up.

Plagiarism:

- Plagiarism is the act of taking another's ideas, writings, pictures, etc. and passing them off as one's own. (Webster's New World Dictionary 1968)
- Assignments that have been plagiarized will receive a zero.
- The opportunity to redo a plagiarized paper for credit will be left up to the discretion of the instructor and administration.

Testing Program:

- Each year all juniors participate in the Montana Smarter Balanced testing program. These tests are criterion-referenced and based on state standards.
- All juniors are highly encouraged to take the Preliminary Scholastic Aptitude Test (PSAT). The PSAT is designed to give students an idea of how they will perform on college entrance examinations, and it serves as a qualifying exam for the National Merit Scholarship Program. Freshmen and sophomores may also request to take the PSAT.
- ASVAB (Armed Services Vocational Aptitudes Battery) is administered each fall to all juniors and any interested sophomores.
- AP tests will be offered to students completing Advanced Placement classes: language, biology, and chemistry.
- Those students planning to go to college should expect to take the Scholastic Aptitude Test (SAT) or the (ACT) in the spring of their junior year and/or early fall of their senior year.

Parent Teacher Child (PTC) Conferences :

- Twice a year students and parents will meet with the student's BDT or classroom teacher to discuss the student's progress in school.
- PTC conferences are normally scheduled at the end of the first and third quarters.
- Parents AND students are required to attend PTC conferences.

8th Grade Recognition:

- Eighth grade recognition is a time to acknowledge a student's successful completion of elementary and junior high studies. It is a privilege earned by hard work and diligence.
- In order for a student to participate in 8th grade recognition he must have passed at least two quarters in each of the core subjects each year for his 7th and 8th grade years. The core subjects are Bible, English, History, Math and Science.
- Eighth Grade Recognition will honor at least two students for academic excellence: the valedictorian and the salutatorian.
- The valedictorian is the person in the eighth grade class with the highest cumulative GPA from both 7th and 8th grades.
- The salutatorian is the student with the second highest GPA.
- To be considered for valedictorian or salutatorian, a student must have attended Valley Christian School for his complete 7th and 8th grade years.
- If there is more than one valedictorian, no salutatorian is chosen.

Junior High Homework Policy:

- We believe that homework provides an opportunity for students to learn personal discipline and good study habits. However, we also believe that homework needs to be kept in balance with family time and other important aspects of life.
- In order to support local church ministries homework will usually not be assigned for Wednesday night nor major tests for Thursday.
- On average junior high students should expect an hour of homework per night. The amount of homework will vary depending on a student's use of class time.

 - Students must be on time for ISS. Tardies will be counted
 - A student may not have a cell phone, portable music device or other electronic device during an ISS.

Service Organizations

High School Service Organizations:

A faculty advisor oversees each student organization.

Student Leadership (SL):

Student Leadership is composed of four executive officers (President, Vice President, Secretary, and Treasurer), four class presidents, and representatives from the following school organizations: National Honor Society (NHS), Key Club, Music, and Sports. They are elected at the end of the year prior to their taking office. Their purpose is to pursue the Lordship of Christ in their own lives and to serve the students at Valley Christian. In April, students desiring to run for a Student Leadership office may apply. Members of Student Leadership, the faculty, and the administration review the applications. Eligible students are then presented to the student body for their consideration and election as SL members.

National Honor Society (NHS):

The National Honor Society is an organization designed to create enthusiasm for scholarship, stimulate a desire to render service, promote leadership, and develop character in high school students.

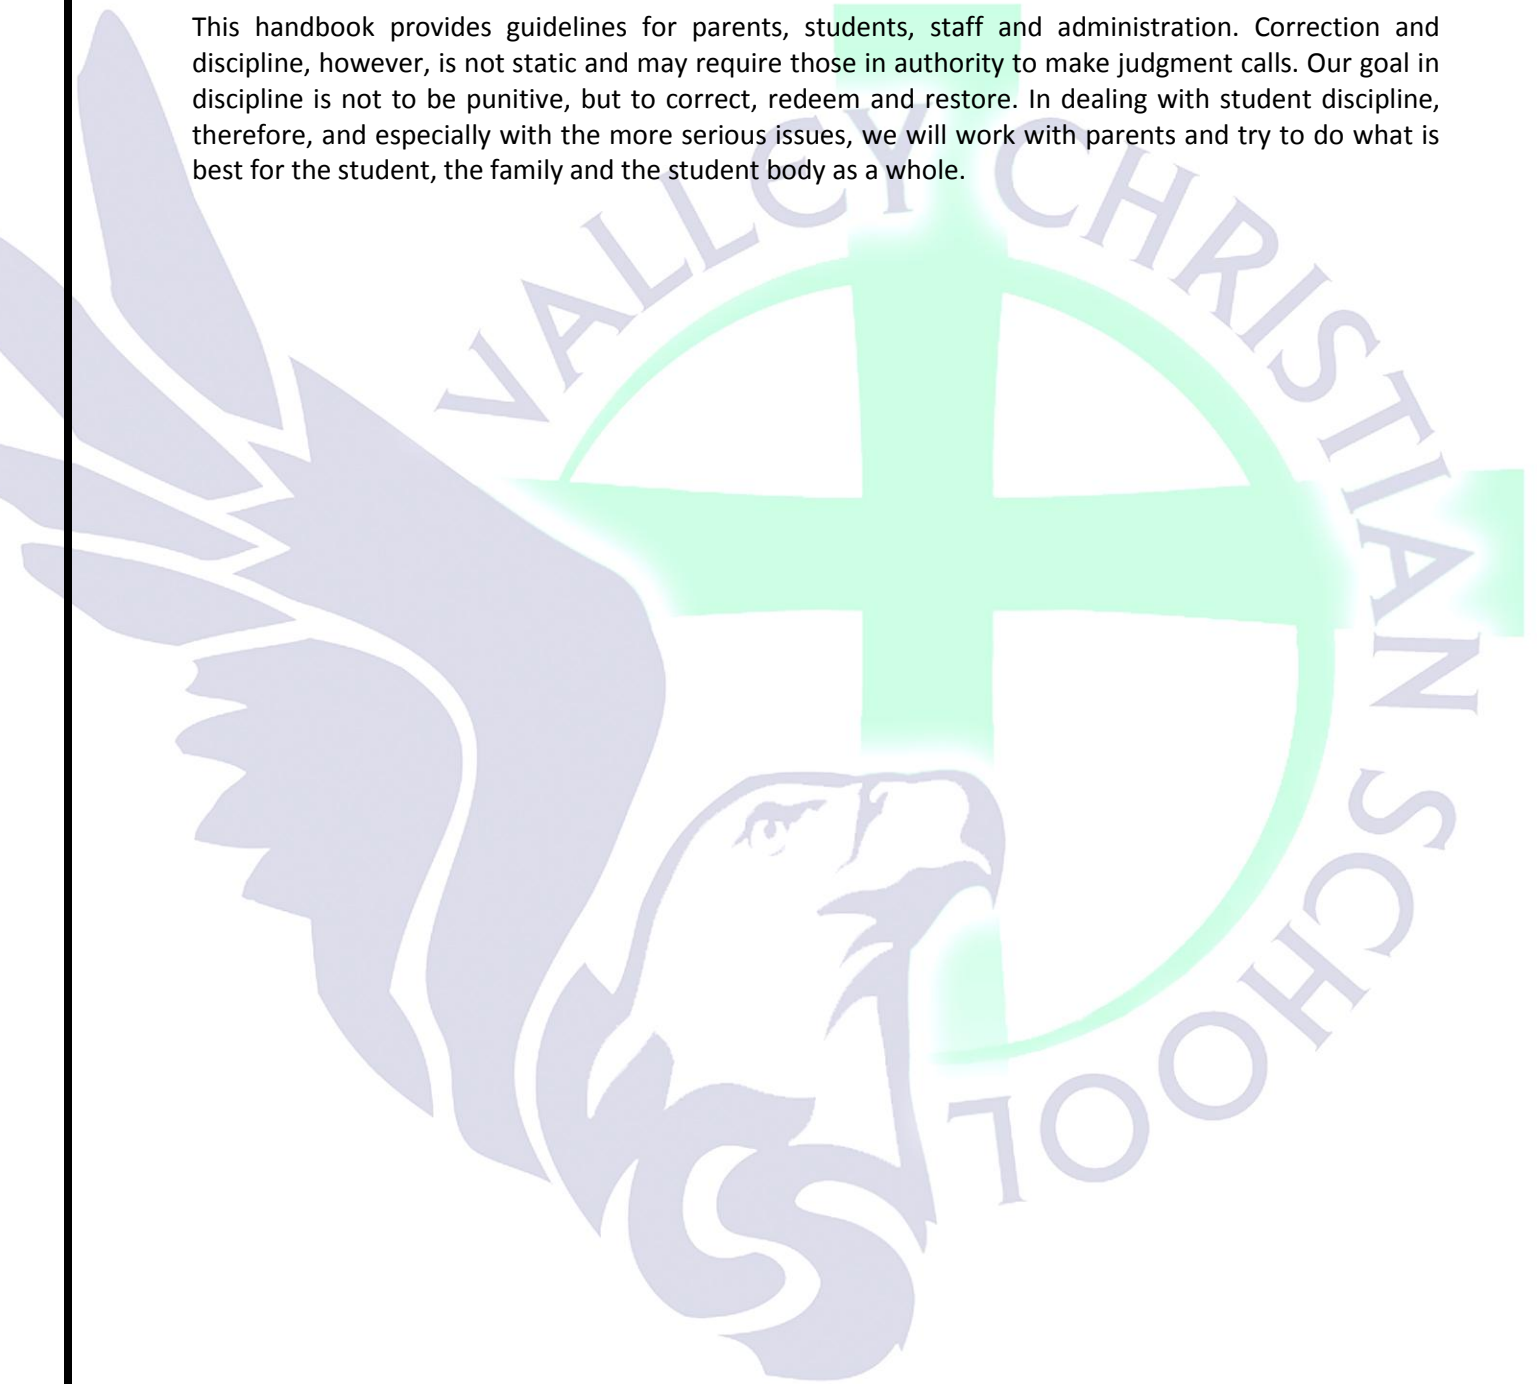

Selection to membership in the Valley Christian School chapter of the National Honor Society is a high honor. To be eligible for membership, a student must be a member of the sophomore, junior, or senior class and have been at Valley Christian for at least one semester prior to selection.

Admission to National Honor Society is based on a selection process that is dependent on the Scholarship Committee evaluating students on the basis of leadership, service, character and scholarship. The 3.5 GPA is simply an entry qualification and does not guarantee admission into National Honor Society. The Scholarship Committee will review a student survey, given to all students who qualify academically, to determine the selection of members.

Key Club:

Key Club is a service organization affiliated with *Kiwanis International*. They seek to engage in service projects for the community and the school. Key Club is open to all high school students. Officers will be elected in April: President, Vice President, Secretary, and Treasurer.

This handbook provides guidelines for parents, students, staff and administration. Correction and discipline, however, is not static and may require those in authority to make judgment calls. Our goal in discipline is not to be punitive, but to correct, redeem and restore. In dealing with student discipline, therefore, and especially with the more serious issues, we will work with parents and try to do what is best for the student, the family and the student body as a whole.
