... that in all things He (Jesus) might be preeminent. Colossians 1:18

Dear Valley Christian School Donor,

We are excited to start a new tradition at Valley Christian School. This year we are hosting our first annual Legacy Dinner on Saturday May 21st. The goal of the Legacy Dinner is to celebrate the generous gifts that have been given to VCS, and to build a long term financial partnership with our donors as well as people and businesses outside of our immediate VCS community. We desire to expand our donor base while providing an event for local business owners to network with others.

This event is a "bless and ask" event. We want our current and future donors to be blessed by hearing about our school as well as from two great speakers. We have two very special speakers lined up for the evening: David A.R. White from God's Not Dead I and II, and alumna of VCS, Shannan Painter. We will also be asking you to partner with us by making a financial commitment to our school. This commitment will help us close the gap between tuition dollars received and the actual cost to educate all of our students. As the only interdenominational and independent Pre-K to 12th grade Christian school in the entirety of Missoula County we rely on the generosity of families, friends, alumni, as well as partnerships with people and businesses like you.

Please join us as we start this new tradition. Your partnership allows children to attend VCS, receive an outstanding education, and influence the world as tomorrows Christian Leaders. We also ask that you prayerfully think about inviting other like-minded people, passionate about Christian education as well as our youth to attend. This evening will provide them with information about the giving opportunities here at Valley Christian.
