Dear Valley Christian Community –

Yesterday we had a donation to cover the costs for new JH girls' basketball uniforms, PTL!

Today is **DAY FOURTEEN** of our **15 Days of Giving**. Today we are pleased to announce a matching opportunity to assist Valley Christian School in some added expenses to fully complete the Reimer Building. Thanks to an anonymous donor, every dollar that is given to the completion of the building will be matched. As an example, if you give a \$100 towards the building, the donor gives a \$100 to match your gift. **We are so appreciative and grateful for this anonymous donor.**

We have estimated the total cost to fully complete the building at \$60,000. As many of you know, last year we were able to raise enough money to be able to complete the building to a point that we could occupy the classrooms and expand our offerings. There are still some items that are needed for the building to be fully operational. Weight room and shop equipment are some of the items. We also need to complete the HVAC system and the janitorial closet.

The new building has a science classroom and lab, a home economics classroom, an art room, a small engine/welding/wood working classroom, a weight room, two offices, a conference room, and two bathrooms.

Please pray about partnering with us in the completion of this project. The new building has allowed us to improve our academic offerings that will impact so many students for years to come. Please email me at info@valleychristian.org or call at 406-549-0482 x251 if you want to help, thank you!

God bless!

Anthony Baugher
Head of School
Valley Christian School

Mission Statement: Valley Christian School exists to partner with Christian families that desire educational excellence taught through a biblical worldview so their children will be prepared for a lifetime of authentic faithfulness to Jesus Christ.
