

Character Trait Nov 28th – Dec 2nd is Responsibility

Proverbs 11:3, “The integrity of the upright guides them”

Character: the qualities built into an individual's life that determine their responses, regardless of circumstances.

Responsibility: Knowing and doing what is expected of me.

Derivation: The word responsibility comes from the Late Latin word *responsibilis*, which means “requiring an answer.” The French used this Latin word to coin their word *responsable*. Toward the end of the sixteenth century, English society adopted the Old French word and used it to mean “corresponding to or answering to.” It emphasized that an individual was answerable to someone. The primary concept behind responsibility is that every individual must take ownership of his or her attitudes, words, and actions.
